MultiSmart

Basic model in Multi series design

Easy, handy and practical. The basic model in the Multi series design offers protection and safety for all current 14" and 15" Notebooks. The Notebook is safely stored in a cushioned compartment. The sophisticated front pocket offers more storage room for mobile accessories like pens, mobile phone and business cards. The soft and specially designed handle is double riveted and inconspicuously fastened. Together with the padded shoulder strap, it makes for pleasant carrying comfort. MultiSmart is made of robust 900 D Polyester. The front pocket as well as the flap have reinforced edges.
